Youth Kicks Coaching is the elite provider of football and multi sports coaching in the North West. The coaching taken place is delivered by professional football coaches.

The Multi-sports sessions are for children in Reception to Year 6. All our sessions are created and delivered to help improve childrens Co-Ordination, Movement, Balance, as well as allowing them to enjoy and express themselves through sport.

All children will be involved in competitions, skill sessions and many more fun and exciting games.

All payments for the After School Multisports must be handed in to the coach delivering the session at the end of Week 1 otherwise the child risks losing their space on the club. Without payment and medical form your child will not be allowed to attend the sessions.
